

Foam Scrapers

IKS manufactures high-quality **Foam Scrapers** for a variety of applications. Our products are field-proved and comply with the below:

IKS foam scrapers are manufactured in 3 densities, low, medium, and high

Can negotiate the tightest bends

Accommodate pipeline restrictions of up to 25%

Can be produced to carry Electronic tracking equipment.

Made of lightweight open-cell polyurethane foam, foam pigs can be coated with polyurethane for more durability and can incorporate with anything from silicon carbide grit, nylon bristle, steel wire brushes to metal studs for heavy-duty cleaning. All our pigs can be adapted to include gauge plates, transmitter housing, and magnets or manufactured to be extra long, bi-directional
