

Scraper Refurbishment and Spares

IKS offers a comprehensive range of replacement spare parts for pigs:

- Sealing discs
- Guide discs
- Cleaning brushes (both circular and spring-mounted)
- Magnet boxes
- Aluminum gauge plates (slotted or standard)
- Cups (conical or standard)
- Bumper noses
- Spacer discs

Our replacement cups and discs have been used for many years in a wide range of pigging operations. They can be made for all types of pipeline pigs and can be manufactured to suit any internal diameter. Bolt holes and center holes can be manufactured to meet client requirements. In addition to the supply of spare parts, IKS can rebuild or refurbish all types of pipeline pigs at our workshop in 2nd Industrial City, Dammam KSA. IKS also assists with pigging operations and storage of all types of pigs.
